# Q4 Focus

## External Collaboration

Collaborate with other launchpads and/or VCs to co-incubate and launch projects.

## Top Tier Deals

Advisory and incubation deals with top tier projects with the possibility of offering early rounds to our loyal TS stakers.

## Dashboard

Enhance our dashboard by adding additional features & info, fostering a more informative and user-friendly experience.

## Internal Collaboration

Improved collaboration between Launchpads, The Crypto App and Team Finance verticals.

## Expansion

Explore new avenues for token launches, expanding our market reach beyond current territories and token types.

## Audience

New offering to capture the interest of untapped audiences to expand market penetration and increase brand visibility.
